## Minor Repair Bill Is Signed By Gov. Dever

A bill sponsored by Representatives Henry E. Keenan to allow cities and towns to make minor repairs on private ways was signed by Governor Dever on June 15th after having passed through both the House and the Senate. It is now known as Chapter 538 of the Acts of 1950.

The bill is as follows: Chapter 40 of the General Laws is hereby amended by inserting after section 6D inserted by chapter 225 of the acts of 1943, the following section: Section 6E. A city which accepts this section by vote of its council subject to the provisions of its charter, or a town which accepts the same by vote of its inhabitants at an annual Town Meeting, may make temporary minor repairs on private ways which have been opened to public use for six years or more, and in such cases section twenty-five of chapter eighty-four shall not apply.

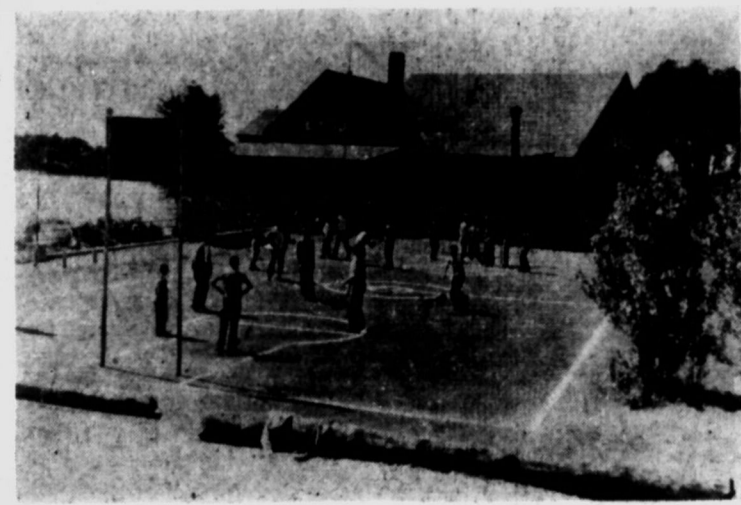

The cost of such repairs be paid by the abutters. Such repairs shall

be made only if petitioned for the abutters. No such repairs shall be commenced unless and until a cash deposit equal in amount to the estimated cost of such repairs as determined by the city or town department to do the work, is paid over to said city or town. Said temporary minor repairs shall only include filling in of holes or depressions with sand, gravel, cinders or waste materials and shall not include the resurfacing of permanent construction of said ways with concrete or bituminous materials.

Any city or town now can accept this act at an annual townmeeting or by a vote of the city council and can go forward with giving relief to those people who live on private ways.

Any group of 10 citizens or more in the town of Arlington can have an article inserted in the coming town warrant to take advantage of this new act. All representatives from the town of Arlington supported Representative on this bill.

consecutive month in which the MTA has shown a profit, Walter J. Waldren, chairman of the trustees said.

Since the month of January, when the system put the 15 cent fare into effect they have shown a climb from an operating loss of \$376,747.24 to a new profit high of \$99,177.61.

Waldren went on to say the fare increase has amounted to 20.35 per cent increase in transportation revenue.

The MTA has also announced the start of the summer five cent fare with transfer privileges for children over five and under fourteen.

The cut rate starts today and continues on and including Sept. 7. For five cents the children will be entitled to the same privileges as passengers paying the regular 10 or 15 cent fare. There will be no special tickets issued.

Edward J. McCabe, District Supervisor of the 17th Decennial United States Census informed the PRESS, Wednesday morning, the preliminary population poll figure for the Town of Arlington for 1950 is 43,984 an increase of 3,971 people since the last official census in 1940.

Mr. McCabe said, "these figures are believed to be substantially correct but are subject to revisions after returns for non-residents are credited to their proper localities and other routine checks are made. Although material revisions of the preliminary counts are unlikely, it may possibly occur after careful examination of the returns."

The official announcements of the population will be made at a later date by the Director, Bureau of Census, Washington D. C.

Town officials were astounded when the PRESS released these figures to them. They had unofficially placed the census figure upwards of 45,000.

In 1940, the year of the last official United States Census the

Town of Arlington was credited with 40,013 residents. In an unofficial census taken by the Town in 1945, figures showed an increase of 3,502 over the 1940 figure. This would mean that since 1945 Arlington population has increased only by 469 residents.

Officials figured an increase of some 2500 people in the Town since 1945. This figure was apparently based on the number of buildings erected here and the large voting list of 1948.

In 1948 there was approximately 24,000 registered voters but in 1949 there was a drop of 2,000 voters leaving only an approximated 22,000. Then again in 1950 there was another drop in the number of registered voters, leaving only 21,836

These figures plus the new veteran housing projects that have built since 1945 would lead one to believe there had been a decided increase in our population. However, most of the veterans who are now building these new homes and living in projects formerly were living with their parents, thus these new homes would not necessarily add residents to the census list.

brought the special service truck and ladder one with Captain James Doherty in charge. The caller told dispatcher Lawrence Beardsley a man had been trapped under a tractor.

Beecher was removed from between the two vehicles and rushed to the Symmes Arlington Hospital in the ambulance. Authorities there said he never regained consciousness but lived about thirty minutes.

Police reported Beecher and Bruno E. Luther were proceeding up Washington Street in a diamond T platform truck, owned and operated by Luther, who lives at 117 Overlook Rd., when about halfway up the hill the tractor rolled off the platform and landed on its back in the street.

Green and Luther stopped the truck got out and righted the tractor prior to re-loading it.

Green, reportedly, stepped in front of the tractor to make some sort of repair when the huge truck started to roll back down the hill. Horrified spectators screamed warnings but Green apparently could not get out of the way and was pinned between the front of the tractor and the rear of the truck platform.

He was extricated by policemen who drove the truck forward to allow the man's removal.

According to police officials the truck is registered in New Hampshire but the owner is licensed in Massachusetts with residence at 117 Overlook Road.

Chief Archie F. Bulock reported the cause of the accident is unknown but an inquest will be held to determine just what did happen. The heavy tractor was removed late Saturday night by Frank O'Hara and a crew from the public works department.

Robert E. Herlihy, the son of Mr. and Mrs. William J. Herlihy received his degree of L. L. B. from Boston College Law School, June 14.

He received his degree of Bachelor of Science from Boston College June of 1948, graduating Cum Laude.

Cub Pack 43 of the Paramenter, Russell and Bishop Schools closed its 1949-1950 season in grand style with a Field Day at Menotomy Rocks Park. After various races, a light supper was served. Then Cubbing awards were made as follows:

five wolf badges, 27 wolf arrows, 4 bear badges, 5 bear arrows, 2 lion badges and 10 lion arrows. With these awards everyone of the 80 Cubs of Pack 43 had advanced at least one rank, 17 had advanced 2 ranks and 5 had advanced three ranks. Next, awards were made to the 16 members of the baseball squad which won nights previously had defeated Pack 20 of the Brackett School in a play-off game to win the Cub League Baseball trophy. Great cheers were given the entire squad, especially the outstanding battery, John Wilson and James Quinn.

At the annual meeting, 130 odd Scouters and their wives, together with an assorted number of Scouts and other interested, trooped into the upper rooms of the "Old Mill", packing the mto capacity. Despite the heat it was a good-humored, jolly group, who enjoyed the excellent dinner of "turkey an' fixins". Charles R. Armour Master of Ceremonies, presented Representative Henry E. Keenan, retiring Chairman of the Arlington District, with a handsome pair of Boy Scout bookends, the one containing the Scout Oath and the other, the Scout Law. Mr. W. Dale Barker, who was elected the new Chairman of the Arlington District, spoke briefly and introduced those elected to serve with him as Vice Chairman and Associates. Dick Talcott representative for the Jamboree Committee there, introduced he Scout elected to attend it. Commissioner Horace Homer then made an honorary award of the Silver Turtle (actual silver turtles cut out of metal and attached to red, white and blue ribbons about each man's neck) to Dick Talcott and his committee for their startling efforts in getting the money together to support Arlington's delegation to the Jamboree. The award was made "to those who stuck their necks way out." Charlie Buckingham introduced his group of boys — one se-

lected from each troop — to be sponsored by the Thompson Fund for one week at Camp Schem.

They were: Arthur Sreehan, Edward Collins, Raymond Eddy, Richard Buxton, Robert Ciampa, Dick Mardigan Tommy Eagleston, Richard Miano, Bruce Spaulding and Leroy Johnson. The Rev. John Nicol Mark was the speaker of the evening, and belied the traiduers of all good Scotsmen by being not in the least parsimonious with his line of excellent stories and humorous remarks.

One hundred and forty two Boy Scouts from all Districts of Schem Council gathered at Camp Oak in Bedford on June 3 and 4 for a Camperal. These Scouts comprised the twenty-two leading Patrols in the Council who were the winners of their respective District competitive camping Camporee. A Camperal is a Council overnight camp out at which each patrol of eight Scouts have to set up their camp area, do all their own cooking and planning with no adult instruction. Meals cooked by these Scouts consisted of baked ham, barbecued and fried chicken, stews, broiled steaks, all kinds of biscuits pies, steaks, all kinds of biscuits pies,

Campersal judges were Schem Council Camping Chairman James Brett assisted by Arthur Leydon of Waltham Al Guilmar of Watertown, Pete Hill and Bob McFarland of Concord, James Bottomley of Belmont, Mel Evans and James Rourke of Arlington. Council Field Alf Kargaard were Camp Advisors and Bob Stillwell and Paul Marchand of Watertown were cooks for the judges group.

## THROUGH A GLASS... DARKLY

She's frightened. She's seeing the world for the first time through dark glasses.

It's no wonder you and I are frightened. Ever since we were old enough to reason, we have been seeing the world through dark glasses. It's just as Paul said:

"Now we see through a glass, darkly; but then face to face."

We spend our years wondering why things happen as they do... why hatred flourishes and love withers... why sorrow seems inevitable and joy so rare. Apparently, we were not meant to understand... not here!

Some truths God has revealed to us; these our Churches teach. Other truths God will not reveal until another day; to prepare us for that day our Churches strive.

Until at length we gain that complete vision, we are happiest and strongest when we live faithfully in the truth already revealed. Even with dark glasses a man can see as long as he walks toward the Light.

### THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

# Standings AYA Senior League

**HIGHLIGHTS**

The last night of the first half season was packed with thrills Monday with close games everywhere.

The Yankees back at full strength edged the Tigers right into a play-a surety on his bond.

Paul Welch's key single gave the Yankees the necessary runs for the 3rd win of the year for Cadogan. Higgins relief pitching for the Tigers was the best of the year but damage had been done.

The Dodgers eliminated the Pirates with a game that was decided by Seery's hit to right after two were out in the last of the seventh. Dolan struck out 12 to win his 5th of the year in a game featured by aggressive baserunning by both teams.

The Browns kept in the running by edging the Braves at Robbins Field. Wolfman's relief pitching aided by a late rally meant the ball game.

The Yankees also edged the Braves last Saturday in a postponed game. Maloney won his first start, while Bowman gave up only 5 hits for the Braves. The Braves have been hard luck ball club during the first half losing several 1 run games that would have put the might up there.

The Red Sox also stayed in the running by shutting out the Cardinals. Martin pitched the first no hit game of the season for the Sox. Games Left

# "Here's the Pitch" By "Bump" Hadley

WBZ, WBZ-TV Sportscaster and Former Major League Pitcher

I HAVEN'T ATTEMPTED to pitch a ball game for seven years. The last serious pitching I did was to throw four or five innings of an exhibition game at Springfield's Pynchon Park one night. But, in spite of that, I'm inclined to agree with Red Rolfe, Mel Parnell and the others who claim that this year's baseball is jet-propelled.

The baseball manufacturer's claim that there has not been the slightest change in the manufacture or specifications of the baseballs used by the major leagues this year. And that is probably true. After all, you couldn't keep a thing like that a secret very long.

The answer may be that the materials being used in the baseball, while ostensibly the same as last year's, are actually better quality. Almost everything else in the world is improving in quality, so it's reasonable to assume that yarn used to wind a baseball, the cork and rubber centers, the thread used in stitching, and the cover itself, have also improved in quality.

Whatever may be the reason, the Red Sox have set new scoring records this year with 20 and 29 runs in single games. They have also been beaten by an 18-8 score. The Cleveland Indians scored 22 runs in a ball game.

The Boston Braves have already set one new National League home run record. The Red Sox have tied the old record. Both teams are almost clinches to break their own all-time home run records. The American League all-time record is definitely in danger.

A lot of short hitters, the spray hitting type, are suddenly finding the fences with booming home runs. That ball is really doing tricks.

# K of C STILL LEADS SOFTBALL LEAGUE

The standings of the Town Softball League as of last Thursday, June 15th, revealed that the Knights of Columbus are still leading the League with 12 wins and 1 loss. The bombers and Elks are running very close behind with a good possibility of over-taking the Knights before the closing of the first half schedule on July 15th. The Kiwanis Club has this year shown surprising strength, with the Legion and the Acre also close to the top in league sandings.

Games of the Softball League are played on various fields throughout town on Monday through games weekly with the first half ending on July 15th. The second half will begin on July 17th with the nineteen team league split into two divisions. It is expected that league competition will continue through August 15th at which time the winning team in the league will be delegated to represent the town in the Metropolitan Boston Softball Championship Play offs to be held in early September.

The Annual Meeting of the Arlington Branch of the American Red Cross, was held in the Robbins Library Hall, May 31, 1950, with the Chairman Mrs. Herbert W. Reed presiding.

After the invocation, given by Rev. Colwell, Mrs. Reed introduced Mrs. John Muller, with her group of Girls Scouts; from Troop 26, who sang, under the direction of Mrs. Eleanor Shute.

Dr. Carroll reported the final Total of the Drive was \$11,660. and

gave personal thanks to Mr. Harold Yeames, for so efficiently carrying on the arduous work of the office, and to Miss Mary Kidder, for her many hours of secretarial work at the office, and to the valiant effort of many workers.

Mrs. Glidden reported for the Motor Service.

e have accomplished 1187 errands, and have transported 743 patients. This takes us to Mass. General Hospital, Mass. Memorial, Children's Hospital, West Roxbury Veterans Hospital and the Crippled School for children. Waltham Tuberculosis Hospital and North Reading Tuberculosis Sanitarium. We have rendered service to Bedford, Woburn, Lexington, and Belmont. We are called upon many times a week, to go to the Blood Center for Symmes Hospital. Our activities take us in Boston, driving the Ambulance and truck. We also transport entertainers for various Veterans Hospitals. These services have used about 13,042.8 miles, an increase from last year of 4,669.3 miles and the hours of driving have increased 785 hours. Our patients have increased 398. Our service has just about doubled, it would not have been possible to meet the requests, without the second Station Wagon.

Mr. Callahan reported for First Aid.

Classes have been held for the Girls Scouts. An Army tent was manned with five First Aid Experts from Boston, for the Parade. A class for Life Guards at the Reservoir has been requested by Mr. McFadden. to be held early in June.

Rev. Halsey Andrews reported that the Disaster Committee was being reorganized and will be ready if an actual disaster occurs.

The Home Nursing Report was given by Mrs. R.A.S. Tait, who taught three classes at Arlington Hts. last winter. 44 students certified. She hopes to have four classes next Fall.

The Secretary was instructed to write a letter to Mr. Edward P. Clark, of deepest appreciation for his eight years of service as Treasurer of the Arlington Branch, and his great help during the Fund Drives. And extend to him and the Five Cent Savings Bank, the entire Branch's sincere gratitude, for the great contribution they made to Red Cross during the War years, when the Branch had Headquarters on the 2nd and 3rd floors of the Bank Building.

In the absence of Dr. Moran, his report was read by Mrs. Hamlet, Co-Chairman, who gave a very forceful pep-talk, requesting more blood donations. At the last visit of the Mobile Unit, only 80 pints were obtained.

Apitifully small quantity for a the size of Arlington. Blood from the Red Cross Center is available to any patient, at the request of his doctor. The blood is free, the only charge to the patient is for Hospital Administration. We were able to supply Walking Donors twice, one at 4 P.M. and one at 10:30 P.M. Many private individuals have driven to the Blood Center, on emergency calls when the Motor Service was not available. The next visit of the Bloodmobile to Arlington, will be on July 19, at St. John's Parish House, Pleasant St. at Lombard Rd. ALL WHO POSSIBLY CAN DONATE, ARE URGED TO DO SO.

Mrs. Gertrude Redmond is Chairman for trained Nurses for the Bloodmobile.

Mrs. McCubrey supplies the Nurses Aides.

The other Report of the Nominating Committee was read by Mrs. Hickey, Chairman.

The other members of the Committee were Mrs. Lancaster and Mrs. Morrill.

Mrs. Reed then introduced Mr. Phillip Bassett, our Field Director and Disaster Chairman for Boston, who responded with a glowing tribute to our Chairman. He stated the Arlington Branch should be very proud of Mrs. Reed, who symbolizes Red Cross and the Red Cross. Mr. Bassett then gave us a fascinating report of the work done by Red Cross in the Displaced Persons program. Although American Red Cross cannot be financially responsible for the care of P.P.'s there is much they do. Mr. Bassett asked us to consider him in the role of a Displaced Person and told of the aid given by Red Cross from the point of embarkation, on shipboard, on arrival in Boston, thru the many inspections, and finally the gratitude and joy felt, upon being served again by the Canteen worker in the familiar uniform, on Commonwealth Pier, in a strange new country.

Clothing for Adults, the Jr. Red Cross Kits for children, and for Adults, left from war supplies, and Records, to help them speak English, are given out on point of embarkation in Boston, the Canteen serve coffee and doughnuts, milk and cookies. The Jr. Red Cross give toys and books to the children, and animal crackers. An Emergency room is on the Pier and the Red Cross Ambulance, often driven by Mrs. Glidden.

Rev. Mr. Andrews gave the Benediction.

A delightful social hour followed, with refreshments served by the Crosby and Mrs. Bladale, assisted by the Motor Service.

The Garden Club provided the flowers. Acceptorpiece for the table was beautifully arranged by Mrs. LeRoy Shaw, and a large bouquet for the piano.

ed for the Jr. Red Cross, subscribed a total of \$372.11 among the various schools, and the Junior High Center, to be shipped to children in European Countries. One dozen dolls were made by Elementary School children to be used as toys for the children entering our Country for the first time, on the Displaced Persons Ships. One of our Arlington High School Seniors, Caroline Wells, has been chosen, by the Metropolitan Chapter Council, to represent the Council at the Conference in Wellesley in June.

Miss Kidder reported for produc-

tion. We have learned a greater and broader sense of service and responsibility to others, as a part of our Red Cross work. Many shut-ins have been supplied with sewing, knitting and featherstitching on blankets, jackets and booties for Layettes. Four Layette have been given out, from our rooms. Mrs. Hamlet and Miss Green from the Social Service League, have been most helpful. A new sewing group was started this winter at the Trinity Baptist Church, under the leadership of Mrs. G.E. Rogers. Recently on Tuesdays, Mrs. Atkins with a group of ladies from the Chapter of Hadassah, who make Layettes for Israel, have met in our rooms.

Mrs. Kittredge's group, who work at the rooms on Wednesday, celebrated their 10<sup>th</sup> year service, this month.

Also the Womans Aid, have made curtains for Symmes Hospital, in our rooms. Under the direction of Mrs. Eaton, their President.

Miss Norton's group, at the Unitarian Church, and Mrs. Beck's group at the Baptist Church, have kept up their high standard of work for ten years.

On Mondays at our workrooms, there are many new workers, who field about 1,000 surgical dressings every week for Veterans and Boston Hospitals. The expert stitchers turn out many garments at the end of the day. Mrs. Fred Campbell has made 5 sleepers and hemmed 24 diapers and featherstitches 10 blankets, every week at home. Mrs. Doty, Miss Grace Bennett, and Miss Evelyn Frost also do featherstitching regularly. The following figures are the total of all the Arlington groups. 30,653 Surgical dressings, 5,481 sewn articles, 4,659 Diapers, 500 Christmas Stockings. ## Alewife Brook Will Be Made Park Area

Representative Henry E. Keenan should start going forward on his needed project at once. Representative Keenan has been advised by the M.D.C. that the Mystic Valley Parkway area from the Alewife Brook and Mysis on the Arlington side will also be developed into a park area. For years this has been an unsightly location but the commission realizes, at the request of Representative Keenan, that with the building of the new housing projects and the general building in this area, this section also should be developed as a park area. Representative Keenan, has also been notified that the Concord turnpike will be resurfaced from the Alewife Brook Parkway to the Pleasant St. underpass. The work is to go forward at once.

A member of the Chelsea Teachers' Club, she leaves a brother, Homer L. Philbrook of Boston; and a sister, Mrs. Jessica Gammons of Arlington, wife of Herman Gammons, former principal of the Arlington High School.
